

VISIONS – THE GARDEN OF LIQUID IDENTITIES

ITS LIQUID International Art Show

THE ROOM Contemporary Art Space - April 06, 2018 – May 03, 2018

VISIONS – THE GARDEN OF LIQUID IDENTITIES aims to explore all different facets of social, physical and cultural identities of our contemporary societies. Everyday we deal with a multitude of different identities and roles: we face the public life creating and adapting our social identities; our body and aesthetic tastes modify and are modified by our physical and sexual identities; our whole being evolves as well as contemporary cultures and modern cities do. The artists are invited to share their visions of the world, as a garden in which improve and broaden their experiences, knowledges, identities, challenges in order to create new compound and exchange possibilities for new “liquid identities” in “liquid cities”.
